Continuation of Substance of Interview including description of the general nature of what was discussed: Examiner contacted Applicant's representative on 5/5/2011 to propose amendments that would place the claim in condition for allowance. Further discussions occurred on 5/6/2011 with regards to the methods claims. As discussed on 5/9/2011 the amendment includes cancelling claims 37-39 and 50-51, which were not previously examined and are drawn to a different scope and restricted subject matter (see restriction requirement dated 11/6/2009). Furthermore, on 5/11/2011 Applicant agreed to amending the specification to provide a brief description of the drawings and claim 55 to provide antecedent basis. The resulting amendment is herein attached.
